 HOMELESS SUPPORT SHELTER RECORDS CONTACTS ATTRIBUTES 🇺🇸

Volunteering

Public Institution "Pentakojas" is a non-governmental organization or, more simply, a dog shelter located in Linksmakalnis, Kaunas district. This institution began existence through the efforts of volunteers. Currently, we are one of the largest shelters in Lithuania. After the shelter was moved to Linksmakalnis, the number of permanent volunteers decreased significantly, so we were forced to switch to hired employees who look after the dogs. However, every volunteer and extra hand is invaluable!

Volunteering is not just about love for animals. It is an opportunity to socialize with like-minded people and make new friends. For those who do not have the opportunity to keep a four-legged friend at home, it is a great opportunity to give someone your love. In addition to all these pleasant things, volunteering is a work, and at the same time a commitment. Think carefully, are you ready for this?

SOCIAL hours - we sign your/our social activity sheets for dog walking.

DOG WALKING

A volunteer can come to us on the days of their choice (Monday-Sunday) during working hours (11 am-4 pm) and contribute to the daily work at the shelter, mainly by walking dogs! A few recommendations before arriving:
